DO NOT BRING

Please read this note carefully. The Ron Burton Training Village is not responsible for any item that is brought by a camper or camper's family to our facility. Campers should understand that there are no provisions for him to lock away or secure any kind of valuables, money, or electronics. Please see below the list of prohibited items and please adhere to this memo.

MONEY

Except for the things mentioned above, everything a camper will need for five weeks will be provided for them and there is no reason to bring money.

TRUNKS OR FOOTLOCKERS

Because space is limited, please do not bring trunks or footlockers. Any item such as these will have to be sent home.

CELL PHONES, IPODS, WALKMEN, RADIOS

Part of our mission is to remove a lot of unconstructive habits and negative behavior as it relates to our training. Along with not being able to secure these valuable items, we are trying to create an atmosphere at camp that leaves behind the technological crutches to which young people have become accustomed.

CANDY, SWEETS OR JUNK FOOD

The training village stresses good nutrition and healthy eating habits. All candy and junk food will be confiscated by the staff. Parents please refrain from bringing such food to your sons and help us keep our camper's training on target.

JEWELRY

Jewelry is not permitted to be worn while at camp. Earrings, wristwatches, necklaces, chains, rings and bracelets are not only a health hazard while at participating in sports, they also misrepresent our goals while on campus.

WEAPONS OR ILLEGAL SUBSTANCES

Weapons or any illegal substance are not permitted and possession of these is grounds for expulsion.
